ABOUT US

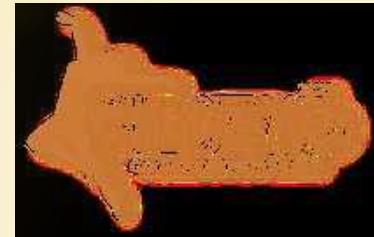

THDC INSTITUTE OF HYDROPOWER ENGINEERING AND TECHNOLOGY BLENDS TRADITION WITH TECHNOLOGY TO FOSTER INNOVATION AND EXCELLENCE. EVER SUPPORTIVE OF ITS STUDENTS, THDC-IHET IS DELIGHTED TO HOST YOU FOR CIESZYC 2K25, A CELEBRATION OF CREATIVITY AND COLLABORATION.

JOIN US AS WE BRING TOGETHER IDEAS, TALENT, AND ENERGY TO CREATE MOMENTS THAT INSPIRE AND MEMORIES THAT LAST A LIFETIME. LET THE SPIRIT OF FESTIVITY AND TOGETHERNESS LIGHT UP CIESZYC 2K25!

IHET

DIRECTOR'S ADDRESS

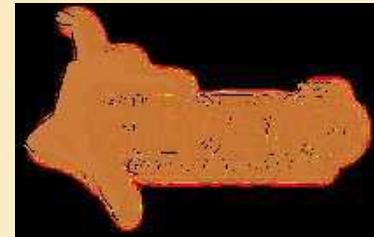

WALKING THROUGH CAMPUS DURING CIESZYC ALWAYS REMINDS ME WHY I LOVE WHAT WE DO HERE. EACH YEAR, THIS FEST BRINGS WITH IT A WAVE OF CREATIVITY, INNOVATION, AND YOUTHFUL ENERGY THAT FILLS OUR CAMPUS WITH EXCITEMENT. IT'S HEARTENING TO SEE OUR STUDENTS STEP FORWARD WITH SUCH ENTHUSIASM AND CONFIDENCE TO TURN IDEAS INTO REALITY. THIS FESTIVAL REPRESENTS EVERYTHING WE HOPE FOR: CREATIVITY MEETING AMBITION, FRIENDSHIP MEETING COMPETITION, AND JOY MEETING HARD WORK.

I'M CERTAIN THAT CIESZYC 2025 WILL NOT ONLY SHOWCASE TALENT BUT ALSO INSPIRE COLLABORATION, CURIOSITY, AND GROWTH. . MY BEST WISHES TO EVERYONE FOR A SUCCESSFUL AND MEMORABLE CELEBRATION AHEAD.

~ DR.SHARAD KUMAR PRADHAN

DEAN ACADEMICS ADDRESS

HERE'S WHAT I LOVE ABOUT CIESZYC—IT PROVES THAT LEARNING DOESN'T STOP AT THE CLASSROOM DOOR. I'VE SEEN STUDENTS DISCOVER LEADERSHIP THROUGH ORGANIZING EVENTS, BUILD CONFIDENCE THROUGH PERFORMANCES, AND DEVELOP SKILLS NO TEXTBOOK COULD TEACH. THIS FEST REMINDS US THAT TRUE EDUCATION EXTENDS BEYOND BOOKS — IT THRIVES IN EXPLORATION, TEAMWORK, AND PASSION.

I LOOK FORWARD TO WITNESSING THE IDEAS, INNOVATIONS, AND INSIGHTS THAT WILL EMERGE FROM THIS YEAR'S EVENTS. WISHING YOU ALL AN INSPIRING AND ENRICHING EXPERIENCE AT CIESZYC 2025

~ DR.HIMANSHU NAUTIYAL

FACULTY CO-ORDINATOR ADDRESS

IT'S A PLEASURE TO WELCOME YOU TO CIESZYC 2025, A CELEBRATION OF STUDENT SPIRIT, INNOVATION, AND TOGETHERNESS. FESTS LIKE THESE REMIND US OF THE JOY OF LEARNING, CREATING, AND GROWING AS A COMMUNITY. SO TO OUR GUESTS, I HOPE YOU FEEL THE WARMTH AND ENERGY THAT MAKES THIS PLACE SPECIAL. TO OUR STUDENTS, THIS IS YOUR TIME—ENJOY IT, SUPPORT EACH OTHER, AND CREATE MEMORIES. TO THE ORGANIZERS AND VOLUNTEERS, YOUR HARD WORK HASN'T GONE UNNOTICED.

LET'S SUPPORT EVERY PARTICIPANT, CHEER FOR EVERY PERFORMANCE, AND ENSURE EVERYONE LEAVES WITH A SMILE. MAY CIESZYC 2025 BE FILLED WITH LAUGHTER, INSPIRATION, AND MEMORIES THAT LAST LONG AFTER THE LIGHTS GO OUT

~ DR. RAMNA TRIPATHI

AT A GLANCE

DAY 1

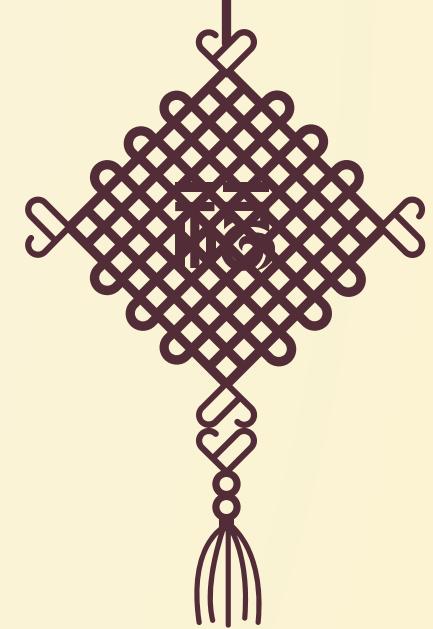

C[&]
CAMPUS
STARLIGHT
COSNOVA

Become your hero or walk the ramp like a star. This is your stage to shine, whether you're showcasing intricate cosplay craftsmanship or dazzling with high-fashion modeling.

MYSTIC MANCH

The stage is set for magic, mystery, and drama. Bring a story to life in this short play competition. Captivate the audience with your acting, direction, and powerful narrative.

Echoes of Wonder

One stage, one voice, one chance to captivate. Whether you're a powerhouse belter or a soulful crooner, let your voice echo and leave the audience in awe.

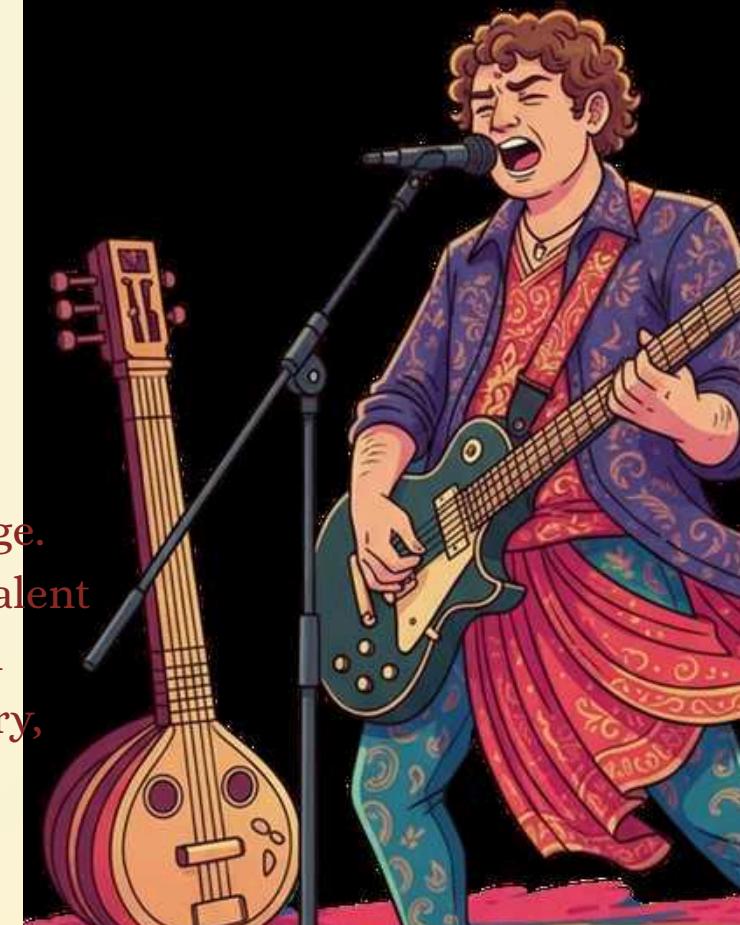

Rhythm Riot

Unleash a riot of rhythm and energy! We're looking for the crew with the tightest synchronization, most electrifying choreography, and unstoppable stage presence.

Gully Rap

Grab the mic and own the stage. We're looking for the rawest talent with the sharpest rhymes and unbeatable flow. Tell your story, spit fire, and claim the gully.

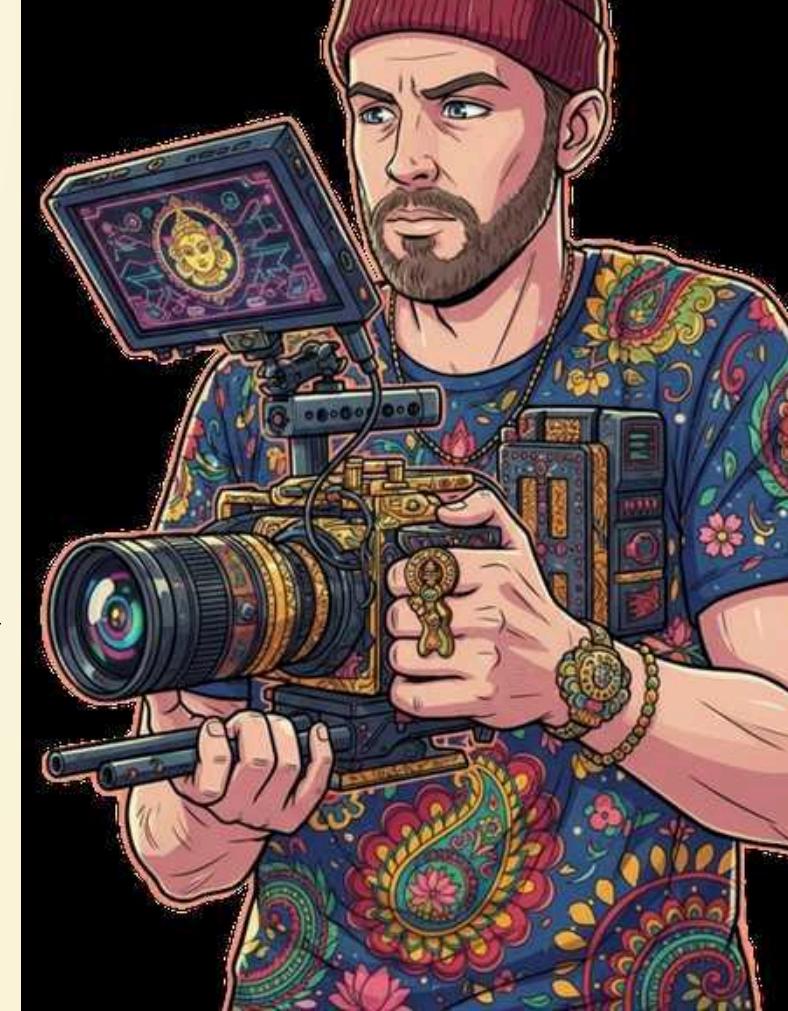

POETIC PIXEL AND REPLAY

Capture the world through your unique lens.
Whether it's a single, perfect photograph or a
compelling short film, show us your vision and
visual storytelling prowess.

Step beyond reality. Design and build
immersive virtual models and experiences.
This is your chance to shape new worlds and
showcase the future of digital interaction.

DEBUGGING CARAVAN

The code is broken, and the clock is ticking. Join the "caravan" and hunt down the elusive bugs hidden deep within the program. Only the sharpest coders will find and fix them all.

BRIDGE MAKING

Engineering meets creativity. Using only ice cream sticks and adhesive, design and construct a bridge that can withstand the test. It's a challenge of structural integrity and smart design.

THE PEACE PROTOCOL

Wield your words. Engage in a fierce battle of wits, diplomacy, and sharp political analysis. Can your arguments bring order to chaos and define the protocol for peace?

DAY 2

X I-HACKATHON

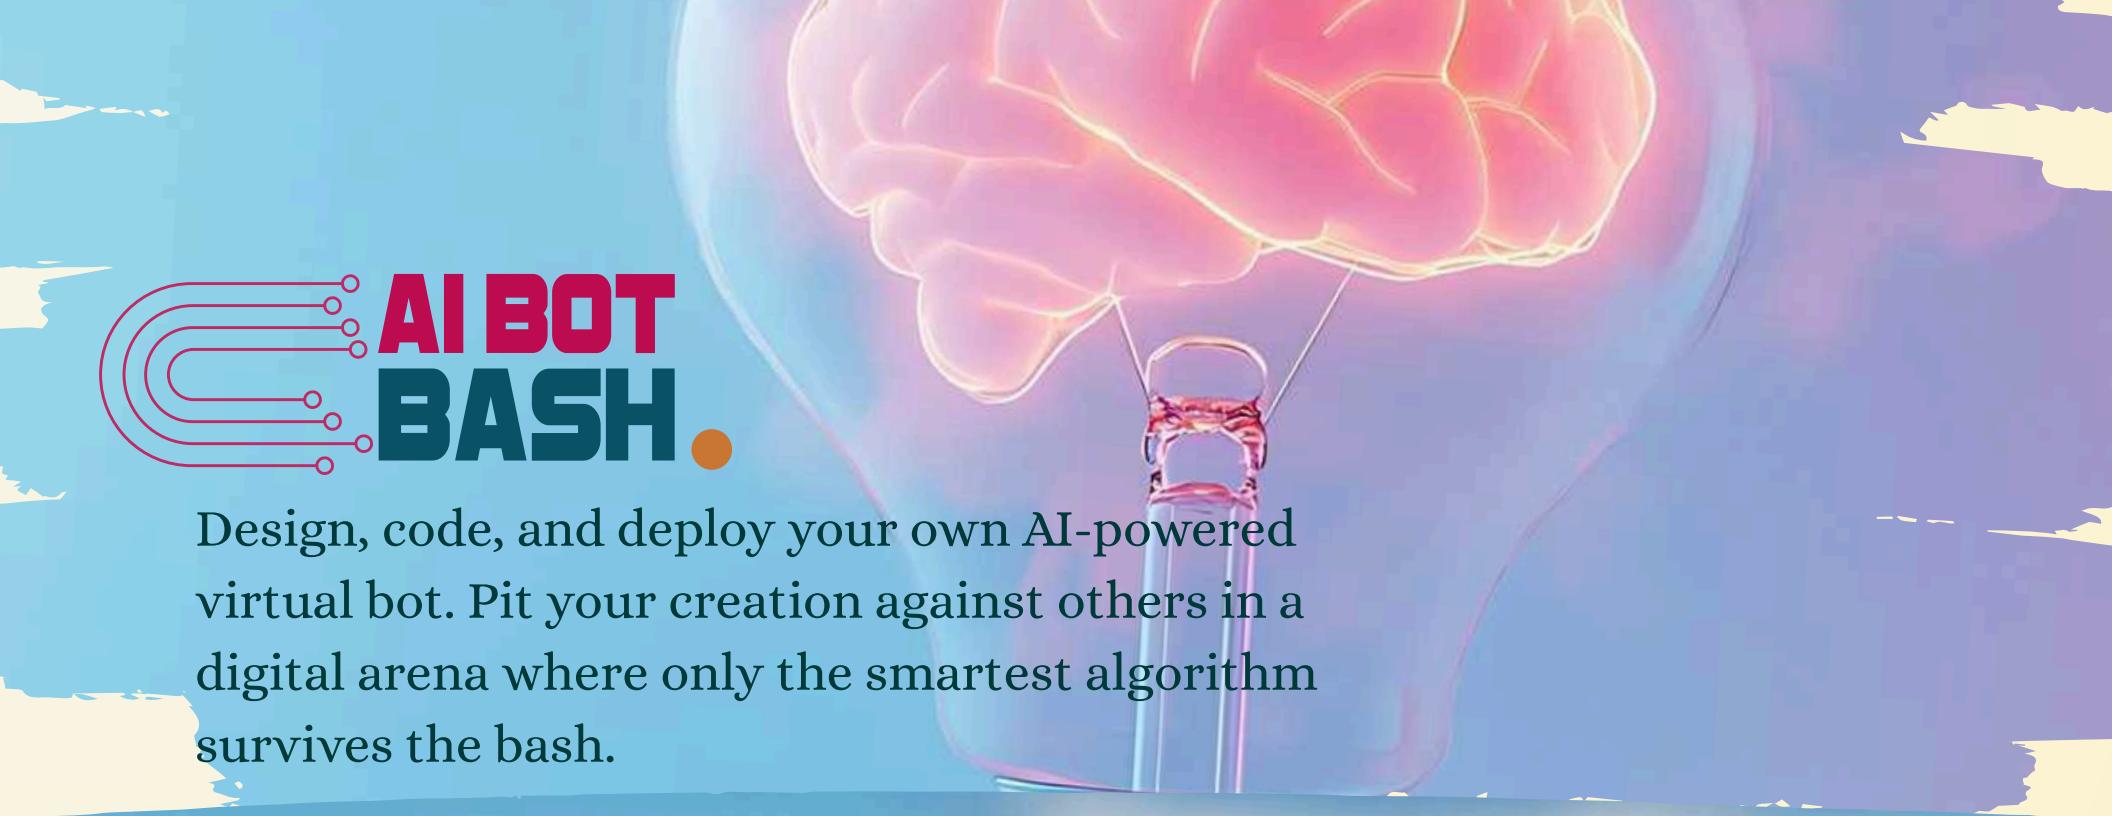

Imagine, innovate, and build. This is a high-speed Ideathon & Hackathon where you'll team up to turn a brilliant concept into a working prototype and solve real-world problems.

Let your body tell the story. This is the stage for solo brilliance, where emotion, technique, and music collide in one captivating performance.

AI BOT BASH.

Design, code, and deploy your own AI-powered virtual bot. Pit your creation against others in a digital arena where only the smartest algorithm survives the bash.

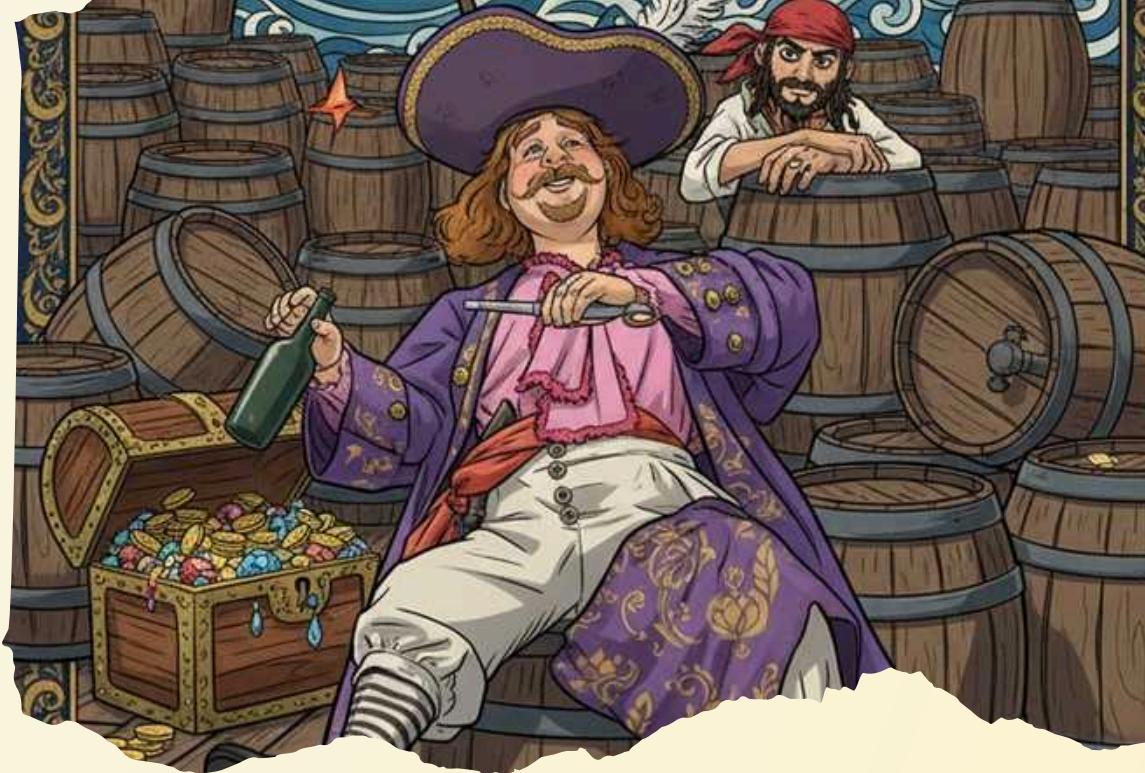

DRONE.

From propeller to processor, assemble a fully functional drone from scratch. It's a race against time and a test of your technical precision. Can you build it and make it fly?

QUEST & CARAVAAN

Embark on a mystical journey! Each clue leads your caravan deeper into the land of wonders, mystery, and discovery in this campus-wide treasure hunt.

LUDO

Don't be fooled—this is war. The beloved board game turns into a high-stakes competitive battle. Navigate your tokens, roll the dice, and send your rivals home.

3D CAD MODELLING

Transform a blank digital canvas into a detailed 3D model. Showcase your technical precision and creative design skills using industry-standard CAD software.

Equation Expedition

Dive into the world of MATLAB to solve complex analytical and simulation challenges. Flex your mathematical and programming muscles in this expedition for the ultimate problem-solver.

DAY 3

WHEELS OF WONDERS

Gear up for a thrilling robot race! Teams will build their own bots and navigate a challenging maze track, testing speed, strategy, and innovation at every turn.

REVIT CADATHON

From blueprints to buildings. Use the power of Revit or AutoCAD to design a detailed, functional, and innovative architectural map or plan. A challenge for the future's digital architects.

THINK LOUD SPEAK PROUD

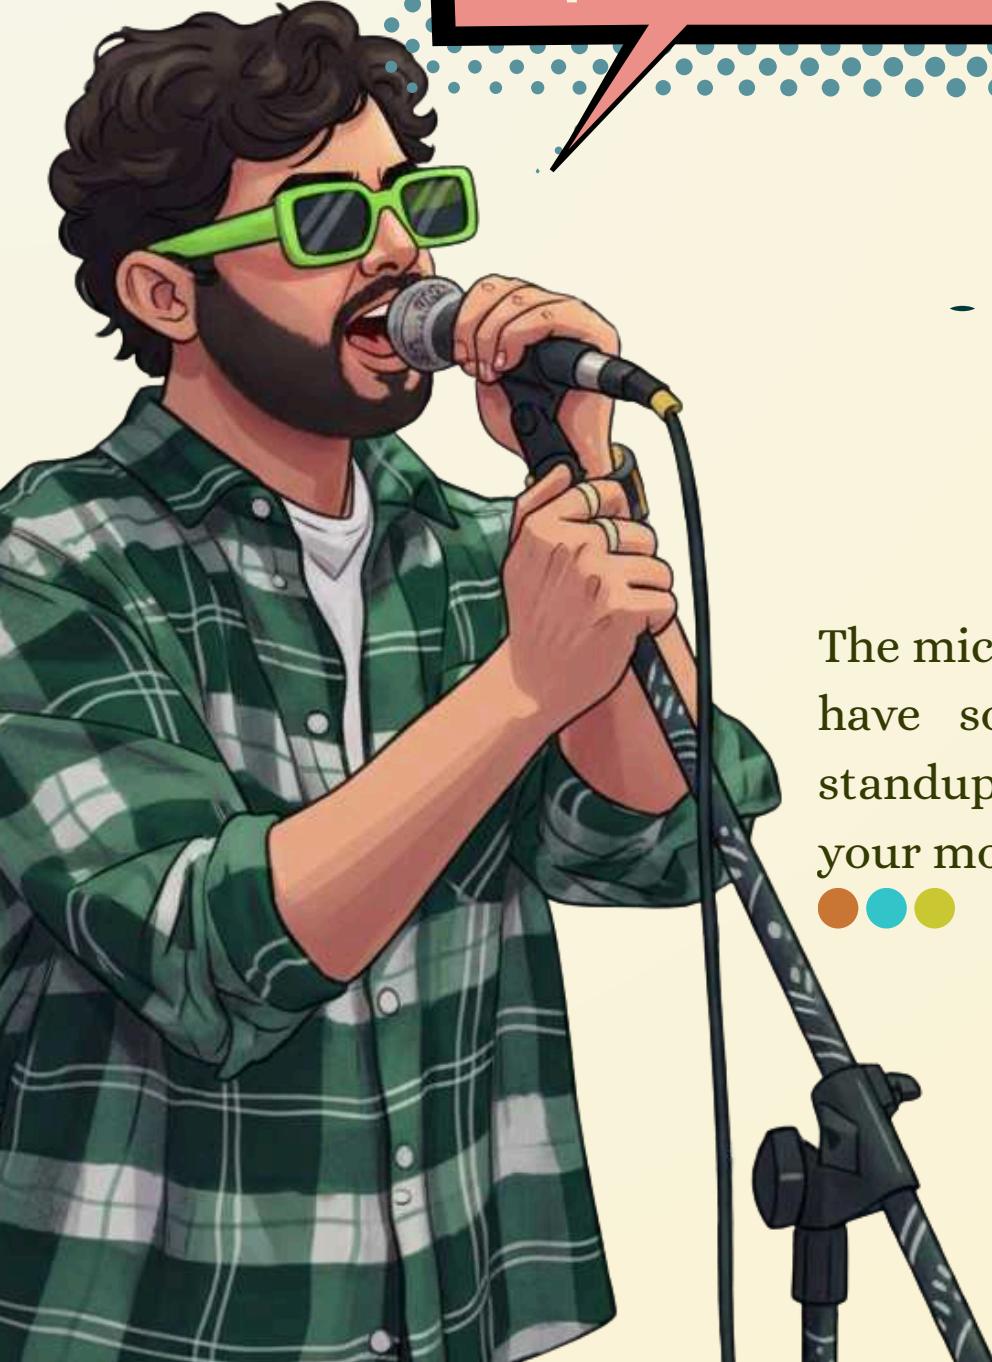

Your voice has power. Engage in a dynamic discussion on a compelling topic where your insights and perspectives take center stage. Articulate your thoughts and own the conversation.

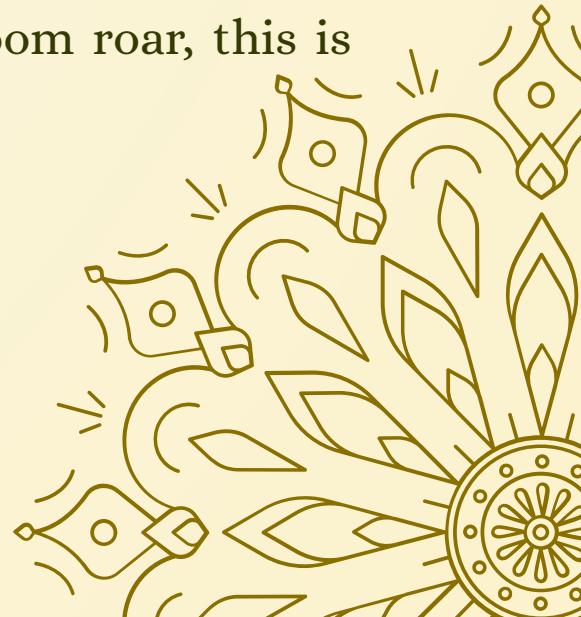

A battle of wits and wisdom. Form a
